

DEVELOPMENT ACTIVITIES MEETING

Project to Be Presented

Jacobs is seeking to deploy a new wireless antenna installation with stealth screening on the roof of the Wyndham Hotel at **100 Lytton Avenue**. Since the work would be taking place within the Oakland Civic Center Historic District, the project will need to go before the Historic Review Commission (HRC). Prior to the HRC hearing, a Development Activities Meeting is required to engage the Oakland community on the proposed installation.

Meeting Date/Time

Monday, January 10, 2022

5:30 PM, via Zoom

with Webinar ID: 840 2209 5504

What is a Registered Community Organization?

Oakland Planning and Development Corporation (OPDC) and the **Oakland Business Improvement District (OBID)** are the Registered Community Organizations (RCOs) for the Oakland neighborhood of Pittsburgh. Being RCOs gives these organizations a formal role with the City of Pittsburgh in the review of development activities and the coordination of neighborhood planning processes, including Development Activities Meetings.

What is a Development Activities Meeting?

A Development Activities Meeting (DAM) provides an opportunity for citizens, property owners, business owners, and other stakeholders to learn about development proposals that affect them and to resolve concerns with proposed development teams during the development application process. DAMs must be held at least 30 days prior to an applicant's first public hearing at the Planning Commission, Zoning Board of Adjustment, Art Commission, or Historic Review Commission.

The City of Pittsburgh aims for universal access at all public events. If accommodations are necessary for effective communication or modification of procedures to participate in this meeting, please contact the City's ADA Coordinator, Hillary Roman, as soon as possible but no later than two (2) business days before the event. Hillary can be reached at Hillary.Roman@pittsburghpa.gov or 412-301-7041.
