PWSA recently mailed an information package to customers eligible for our 2019 Lead Service Line Replacement Program. If you received a package, please sign the enclosed agreement and return it immediately in the postage paid envelope.

**Funding is limited, replacements will be performed on a first come, first served basis.**

Do you have questions about our Community Lead Response?  
Call our Lead Help Desk at [412.255.8987](tel:412.255.8987) or email at [LeadHelp@pgh2o.com](mailto:LeadHelp@pgh2o.com).

*If your street is not listed above, please call us to find out about financial assistance programs available for line replacements.*
